

RESCUE NETWORK NEPAL

A Good Samaritan Story.....

THE COUNTRY SIDE HAS HUNDREDS OF VILLAGES WITH NO MEDICAL AID

VILLAGE LIFE, MOSTLY WALKING TRAILS

LITTLE KNOWLEDGE OF HYGIENE AND FIRST AID AND MINIMUM ACCESS TO MEDICAL AID

VILLAGE LIFE

RESCUE NETWORK NEPAL

The caste system in Nepal discourages individuals from touching one of a lower or higher caste. This creates space for Christians to have a unique testimony.

OVERVIEW

- Established 2012
- RNN's Mission:
 - to establish a network of trained First Aid providers working with the village churches throughout Nepal

DESPERATE NEED FOR FIRST AID TRAINING

- Road accident assistance
- Snake bite aid
- Kitchen fires
- Falling from trees while collecting fire wood
- Many preventable deaths - people dying because others did not help
- People being injured are not receiving proper aid, or must travel a long way to the hospital for help

INITIAL SURVEY

Survey Of southern
Nepal in November
2012

- Gathered information and feedback from churches and community leaders
- Found out where RNN could best help

VILLAGE 3 DAY TRAINING SESSIONS

RNN is a non-profit organization that provides first aid training to Christian church and community members in rural villages throughout Nepal.

INTERACTIVE FIRST AID TRAINING

- Accident victims in Nepal will receive first aid through a network of trained and equipped volunteers, who follow the example of the Good Samaritan.
- Churches will enhance their ministries through caring for accident victims in a holistic manner.
