

Thank you for praying!

Dear Prayer Partners,

We're half way through January already and one of the objectives we have in our new leadership role is to keep you more informed of our prayer needs.

Here's a few items for you,

1. At the end of 2023 Corinne experienced an important level of hearing loss in her left ear. We're thankful for the way God has led in receiving care from her ENT, he's said he really wants to save her hearing. She is now receiving outpatient hyperbaric chamber treatment for her hearing loss at the largest of 3 centres in France only 10mn drive from our home. She's completed 3 ½ days, the halfway point in a routine that fills her day from 8am until 6:30pm. Pray that she will experience full hearing restoration whether through medical treatment or God's miraculous intervention.
 2. From January 27 - February 6th we will take part in a Pioneers leadership conference designed for all the Area Leaders serving around the globally. The goal is for us to be refreshed spiritually, clarify the meaning of our role, equip us further, develop a shared vision between all the ALs, deepen our spiritual leadership and personal discipleship journey.
 3. Pray with us that Corinne's hearing treatment will not stop us from participating in this important strategic gathering.
 4. Pray with us for the physical and spiritual safety of everyone travelling to the meetings. For security reasons we are purposefully not stating the location of these meetings.
-

What about the meeting place for our church?

We can meet in a local community center room this Sunday (Jan. 21st) loaned to us by the city. After this we are without a room so we've been talking as a team about how to maintain the movement that has begun. The church is not a building or a room, so how does a church without a building or a room function and move forward in bringing Jesus to those who have never heard?

Thanks for your prayers and partnership!
